

Frequently Asked Questions

I need to revise or cancel my reservation. Can I do that online?

- On the confirmation email you received when you booked there is a link to your Guest Portal. Through that portal you can request date changes, site changes or cancel your reservation. Or you can call the office and leave a message as to what needs to be revised and we will take care of it for you.

How soon can I expect to receive my refund?

- Please allow up to 30 days to receive any refunded money.

How far out can I reserve a site?

- Our reservation system only goes out 180 days (Roughly 6 months). Even if the first day is available it will only allow those days that are within 180 days. If it is further out than 180 days you cannot book it. We suggest that you book your reservation when all of the dates are available.

Can I keep my boat/atv/car/cargo trailer in my site?

- We do not allow any additional trailers in the sites. Car dollies are the exception if you can tuck it up under the RV. If you have a car, boat, ATV or cargo trailer you can park it in storage for a \$10 daily fee. Boat trailer storage is located in the secured storage behind the Port of Brookings Harbor workshop. All other trailers will be stored in our dry camp area. Trailer storage payment will be due upon check in. Storage is very limited and a first come, first serve basis.

What if my RV is over the age limit?

- If your RV is older than 20 years, you need to email us 4 pictures (one of each side). Once it has been approved we will email you with instructions.

- No. We have a two week maximum stay. At the end of your two weeks you must vacate the park entirely for three days and then you can come back for two more weeks.

Do you allow tents in the RV sites?

- No. We do not allow any tents in any of the sites. This includes Rooftop Tents and Truck Bed Tents.

Do you allow dogs in the park?

- Yes. We just ask that they are kept on a leash anytime outside of the RV, cleaned up after and not left in the RV or at the site unattended.

Can I sleep in my car/truck/van?

- No. In order to stay with us you need to have an RV. Either a class A, B, B+, or C, travel trailer, fifth wheel trailer, toy hauler, popup trailer, and slide-in camper. Vans must be converted with installed electrical and water hookups.
